DT/ART 	Art – Painting and mix media Exploring Colour This project teaches children about colour theory by studying the colour wheel and colour mixing. It includes an exploration of primary and secondary colours, hues and how artist use colour in their artwork.	DT -Textiles -Pouches Children will learn how to sew a running stitch ready to design, make and decorate a pouch using a template.	ART - Drawing: Understanding tone and texture Exploring how artists use tone and texture, and applying these techniques in observational drawings	DT – Cooking and Nutrition – Balanced Diet Discovering the importance of a balanced diet and creating a tasty, balanced wrap to meet a design brief.	Art – Craft and Design – Map it Out This unit focuses on teaching children to explore and create maps through various art forms, including drawing, working in relief, printmaking, and designing stained glass. The lessons aim to develop skills in sorting, designing, and evaluating art, encouraging students to present and discuss their creations in a class gallery setting.	DT day – Structures: – Sculpture and 3D Clay House Exploring the way clay can be shaped and joined, children learn a range of essential skills for working with this medium. They learn about the sculpture of Rachel Whiteread and create their own clay house tile in response
